

DarulArqum Islamic Center  
Education Affair Committee  
Annual Report 2009-2010

Committee Members:

Ahmed Kamal, Jani Abassi, Asjad Pasha, Nermin Sabry, Salahudin Syed and Khalid Boushaba.

The committee received a request from Br. Nawaf about the possibility of starting an Islamic pre-school in DAIC. We request that this suggestion to be discussed in details by the next board and education committee.

All the activities of this committee so far are around the Islamic school. So we propose that the next committee should interact and recruit parents and teacher at the Islamic school to join and participate actively .
